Unfinished Business

MS4 General Permit – Pollution Reduction Plan Implementation timeline for the construction of curb bump outs is Spring of 2022. No change from previous month.

Street Reconstruction Project 2021 – The project is complete; the Certificate of Payment in the amount of \$152,663.09; and Change Order #1 reflecting a decrease in contract price of \$64,775.16 have been received. No concrete gutter was found and no base repair was required; hence the reduction in the contract price.
